

Zajednička doktorska radionica HRZZ projekata:

„Models and Methods of Innovation Management in Complex Engineering Systems Development“

i

„Managing Trust and Coordinating Interactions in Smart Networks of People, Machines and Organizations“

21. listopada 2016.

*Sveučilište u Zagrebu Fakultet elektrotehnike i računarstva
Prostorija C8-22*

11:30 – 13:00 Kvalifikacijski doktorski ispit

Marija Majda Perišić (FSB/FER): „Modelling and Simulation of Product Development Teams“

13:00 – 14:00 Ručak

14:00 – 15:30 Prezentacije doktoranada I

Tomislav Martinec (FSB): „A Model of Information Processing and Interactions in Teams Developing Technical Systems“

Darko Štriga (FER): „Otkrivanje zajednica u društvenim mrežama zasnovano na određivanju povjerenja između korisnika“

15:30 – 16:00 Pauza

16:00 – 17:30 Prezentacije doktoranada II

Vladimir Smojver (FSB): „A Model of Innovation Evolution in the Development of Technical Systems“

Jurica Babić (FER): “EV-enabled Parking Lot: An Innovative IS Artefact for Sustainable Transport Systems”
